[Page 12: Setting Up Print Options](#)

2 PRINTING FUNCTIONS Setting Up Print Options [Others] tab This section describes the functions newly added to the [Others] tab of the printer driver. [Others] tab for PCL6/XPS [Others] tab for PS3 The printer driver for the e-STUDIO352/452 is used in the screenshot above. It may be different from the printer driver you use.

[Page 13](#) 2 PRINTING FUNCTIONS 2.PRINTING FUNCTIONS To start importing, select a printer driver for this equipment in the [Printers] folder. Then click [File] menu, [Run as administrator] and select [Properties]. Enter administrator password if required. - If the [File] menu is not displayed, press [Alt]. - Click [Continue] in the [User Account Control] dialog box.

[Page 14: Print Job Type](#)

2 PRINTING FUNCTIONS Print Job Type Storing to e-Filing The Store to e-Filing feature allows you to send print jobs to e-Filing on this equipment. The job stored to e-Filing can then be printed from the touch panel display at a later time. It can be also composed with other documents using the e-Filing web utility.

[Page 15](#) 2 PRINTING FUNCTIONS 2.PRINTING FUNCTIONS When you specify a folder in which the print job is to be stored in a public box, enter the folder name. If the entered folder name is not found, a new folder is created under this folder name. Enter the box name within 64

characters.

[Page 16](#) 2 PRINTING FUNCTIONS When you specify a folder in which the print job is to be stored in a user box, enter the folder name. If the entered folder name is not found, a new folder is created under this folder name. Enter the box name within 64 characters.
