### Obtaining the software manuals

The software manuals are included in the support DVD. Follow the instructions below to get the necessary software manuals.

The software manual files are in Portable Document Format (PDF). Install the Adobe Reader from the Utilities tab before opening the files.

To read about your motherboard's software manual:

1.  Run the Support DVD.
2. In the Support DVD main menu, click the Manual tab.
- 3.

Click the software manual that you wish to read.

## 3.2

# Software information

Most of the applications in the support DVD have wizards that will conveniently guide you through the installation. View the online help or readme file that came with the software application for more information.
