### [Page 2: Check The Components](#)

Enhance your ownership experience by taking a few minutes to register your Toshiba Product at [register.toshiba.com](http://register.toshiba.com). Completing Product registration allows Toshiba to provide you with Product information updates, special offers and promotions. Failure to complete Product registration will not diminish your rights under the Standard Limited Warranty.

### [Page 3: Quick Tour](#)

Quick Tour Front Touch screen Front web camera Note: When you rotate the device from portrait to landscape (or vice versa), the screen orientation automatically changes according to the rotation angle. To lock the screen so that it does not rotate automatically, orient the device in the desired screen rotation (portrait or landscape) and do...

### [Page 6: General Safety Instructions](#)

AC Adaptor Always use the Toshiba AC adaptor that was provided with your device or as specified by Toshiba and use correct power source specified on the regulatory label of device or adaptor. Always ensure a secure electrical connection. Be careful if you use a multiple connector to avoid current overload on one socket.

### [Page 7: Operating Environment](#)

Unstable Surfaces Do not use Product on an unstable table, cart or stand. Viewing Recommendations Some individuals may experience health-related complications when exposed to certain images or flashing lights (for example when playing videos or games). Discontinue use and consult a physician if you experience any health-related complications.
