[Page 6: Security Precautions](#)

Security Precautions In order to make correct use of this products security function, first read the following precautions carefully. ISO15408 Certification For customers using e-STUDIO5520C/6520C/6530C and e-STUDIO2330C/2820C/2830C/3520C/3530C/ 4520C We have obtained ISO15408 certification for the system firmware V3.0 in the equipment. The data erasing function will be enabled by registering the security license with GP-1070 (Data Overwrite Enabler, optional).

[Page 7: Notice To Users](#)

User Safety This TOSHIBA Multifunctional Digital Systems does not produce laser radiation hazardous to the user. It is certified as a Class 1 laser product under the U.S Department of Health and Human Services (DHHS) Radiation Performance Standard according to the Radiation Control Health and Safety Act of 1968 including amendments.

[Page 8](#) Because of the extreme variances in composition and quality of paper from various manufacturers, consumers should ensure the recycled paper they use is suitable for the copier. In accordance with the EPA Energy Star Program guidelines, TOSHIBA recommends the following recycled paper for use in the copier- Great White MultiUse 20 paper If you have any questions regarding the use of recycled paper in your copier, contact your authorized service technician.

[Page 9](#) EMC class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures! Any consequences resulting from the use of this product in restricted working environments are not the responsibility of TOSHIBA TEC.

[Page 10: Toshiba Quality Is Second To None](#)

Toshiba Quality is Second to None It is recommended that genuine Toshiba supplies and parts be used to obtain optimum results. For e-STUDIO5520C/6520C/6530C Toshiba Quality is Second to None...

[Page 20: General Precautions](#)

1 GENERAL PRECAUTIONS General Precautions When installing or moving e-STUDIO5520C/6520C/6530C For U.S.A. and Canada This Multifunctional Digital Systems requires 115 V, 20 A (or 15 A + 20 A), 50/60 Hz electric power. For EU This Multifunctional Digital Systems requires 220 to 240 V AC, 13 A, 50/60 Hz electric power. Except U.S.A., Canada and EU This Multifunctional Digital Systems requires 220 to 240 V AC, 10 A, 50/60 Hz electric power.

[Page 21](#) 1 GENERAL PRECAUTIONS 1.GENERAL PRECAUTIONS When removing the plug from the outlet, do not pull the power cord. Always hold the plug when removing it from the outlet. If the power cord is pulled, the wires may become broken and this could cause a fire or give you an electric shock.

[Page 22](#) 1 GENERAL PRECAUTIONS For e-STUDIO205L/255/305/355/455 Both the Paper Feed Pedestal and the Large Capacity Feeder have 4 adjusters (antiskid devices) underneath. After the equipment has been moved and installed, be sure to turn and lower them to fix it. For the Paper Feed Pedestal, fix the fall-prevention stoppers after the adjusters have been adjusted. Paper Feed Pedestal Large Capacity Feeder Do not install the equipment by yourself or try to move it once it has been installed.

[Page 23: When Using The Multifunctional Digital Systems](#)

1 GENERAL PRECAUTIONS 1.GENERAL PRECAUTIONS Other points Make sure that there is enough space around the system to facilitate changing of parts, maintenance and clearing paper jam. If there is insufficient space, some operations, such as bypass feeding, will become difficult and the Multifunctional Digital Systems could even break down.

[Page 24](#) 1 GENERAL PRECAUTIONS For e-STUDIO2330C/2820C/2830C/3520C/3530C/4520C and e-STUDIO205L/255/305/355/455 When changing the angle of the control panel, be careful not to catch your hands in the gap between the equipment and the control panel. This could cause personal injury. Do not place 3.3 kg/7.3 lb. or more of objects on an optional work table. Breaking the work table could cause personal injury.
