Bookmarks

Support DVD main menu

Shows the available device drivers if the system detects installed devices. Install the necessary drivers to use the devices.

Click to display the applications and other software that the motherboard supports

Contains the list of supplementary user manuals. Click an item to open the folder of the user guide

Click to display product related information

4.2.2

Obtaining the software manuals

The software manuals are included in the support DVD. Follow the instructions below to get the necessary software manuals.

The software manual files are in Portable Document Format (PDF). Install the Adobe Acrobat

Reader from the Utilities tab before opening the files.

To read about your motherboard's software manual:

1.
Run the Support DVD.

2.
In the Support DVD main menu, click the Manual tab

3.
Click the software manual that you wish to read.

The screenshots in this section are for reference only. The actual software manuals containing in the support DVD vary by models.

SABERTOOTH Z170 S

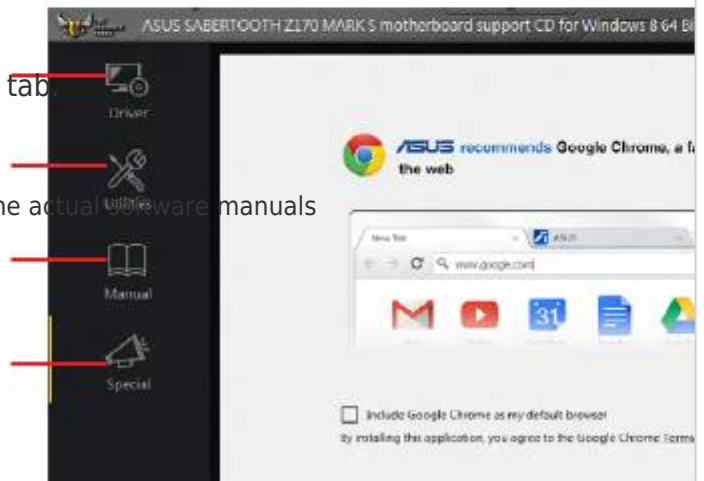

Click to display the ASUS contact information

Click to browse the file list of the suport CD

Click to install the selected items
