Parts Replacement

This section is designed to let you quickly access information on removal and replacement of FRUs. Go to the part you want to replace. If there are other parts you must remove to access the part you want, you will be referred to those removal instructions.

NOTE

You can also see a flow chart of parts removal. The FRU Hierarchy on page 6 shows a chart of which parts must be removed to access any replaceable part in the projector.

~~Generally, the replacement procedure is the reverse of the removal process. Sometimes you will find~~

special instructions under Assembly Notes.
