Setting up your phone

Your phone already has a SIM card installed.

Para la versión en español, visite VerizonWireless.com/Support

Optional: Insert the microSD card.

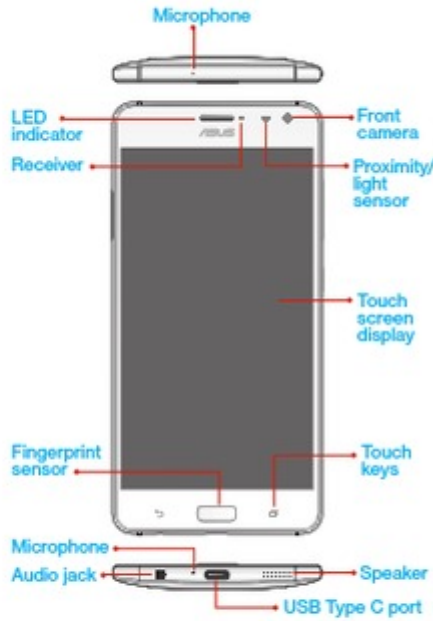

1. With the phone facing up, insert the tool that came with your phone into the hole on the SIM/microSD card tray and gently press to open the tray.

2.

Place the microSD card into the tray with the gold contacts facing down (as shown).

Meet your phone.
