## **About this guide**

**Who should read this guide**

**Where to find more information**

---

## **Notice statements**

This guide contains information about installing, using, and maintaining the Toshiba

SureMark

Models 1NR, 1NA, and 1ND printers

This manual is intended for use by trained service representatives.

Current versions of Toshiba publications are available on the Toshiba Global Commerce Solutions support website: [www.toshibagcs.com/support](http://www.toshibagcs.com/support).

1. On the right side of the web page under Popular Links, select Publications.
2. Click on the publication related to your product.

Notices in this guide are defined as follows:

---

### **Notes**

These notices provide important tips, guidance, or advice.

### **Important**

These notices provide information or advice that might help you avoid inconvenient or problem situations.

### **Attention**

These notices indicate potential damage to programs, devices, or data. An attention notice is placed just before the instruction or situation in which damage could occur.

### **CAUTION**

These statements indicate situations that can be potentially hazardous to you. A caution statement is placed just before the description of a potentially hazardous procedure step or situation.

### **DANGER**

These statements indicate situations that can be potentially lethal or extremely hazardous to you. A danger statement is placed just before the description of a potentially lethal or extremely hazardous procedure step or situation.
