LED Wallpack Luminaire

Important Notice

These instructions are not intended to cover all details or variations in the products, nor do these instructions provide for every possible contingency concerning the installation, operation, or maintenance of the wallpack. Should additional information be required, contact your Toshiba Customer Support Center at 855-829-5959.

The contents of this manual shall not become a part of or modify any prior or existing agreement, commitment or relationship. The sales contract contains the entire obligation of Toshiba International Corporation. Toshiba International Corporation's standard limited warranty is the sole warranty obligation of Toshiba International Corporation and any statements contained herein do not create new warranties or modify the existing warranty.

Service and maintenance of luminaires should be performed by a qualified, licensed electrician. Any electrical or mechanical modifications to the wallpack without the prior written consent of Toshiba International Corporation may void all warranties or other safety certifications. Unauthorized modifications may also result in safety hazards or damage to the wallpack. Misuse of the wallpack could result in injury and equipment damage. In no event will Toshiba International Corporation be responsible or liable for direct, indirect, special or consequential damage or injury that may result from the misuse of the wallpack.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
