TOSHIBA

The Tecra 8000 Series is the ideal business desktop replacement mobile computer. With Tecra, you are never chained to the desk. You can expand and adapt your working day, and a recent Gartner Report shows you need only work

†
from as little as an extra six minutes per day on your notebook to cover the cost of replacing your desktop in one year.

Tecra also delivers the exceptionally low total cost of ownership through a single software image, architecture longevity and a full 3 year warranty. No wonder Tecra is the dream deployment platform for so many corporations. A friend you'll want to take home with you.
