Operation with non-compliant peripherals or peripherals not recommended by Toshiba is likely to result in interference to radio and TV reception. Changes or modifications made to this equipment, not expressly approved by Toshiba, or parties authorized by Toshiba, could void the user's authority to operate the equipment.

[Page 3](#) Location of the required label...

[Page 4: Important Safety Instructions](#)

Introduction IMPORTANT SAFETY INSTRUCTIONS CAUTION: PLEASE READ AND OBSERVE ALL WARNINGS AND INSTRUCTIONS GIVEN IN THIS OWNER'S MANUAL AND THOSE MARKED ON THE UNIT. RETAIN THIS BOOKLET FOR FUTURE REFERENCE. This set has been designed and manufactured to assure personal safety. Improper use can result in electric shock or fire hazard.

[Page 5](#) 7. Power-Cord Protection Power-supply cords should be routed so that they are not likely to be walked on or pinched by items placed upon or against them, paying particular attention to cords at plugs, convenience receptacles, and the point where they exit from the product. 8.

[Page 6](#) If you ever detect rust, the emission of an extraordinary odor, excessive heat or anything unusual of the battery pack, do not use it. Take it to an authorized Toshiba service provider.

[Page 7](#) g) Keep the battery pack away from heat or fire, if you detect the emission of an extraordinary odor or leakage of alkaline solution or other electrolytic substance. h) Never dispose of used battery packs with other ordinary solid wastes, since they contain toxic substances.

[Page 8](#) Introduction IMPORTANT SAFETY INSTRUCTIONS 24. Coin-shaped Battery a) Keep coin-shaped batteries out of children's reach. Be careful ingest internally, especially by children, as doing so may cause poisoning. b) Do not load a battery into the remote control with the wrong side out. c) Do not charge, heat, open, or short-circuit the batteries.

[Page 9: Precautions](#)

Precautions Notes on handling Do not shock the LCD panel. It may cause unit damage and malfunction. When shipping the player, the original shipping carton and packing materials come in handy. For maximum protection, repack the unit as it was originally packaged at the factory.

[Page 10: Notes And Information](#)

Introduction Notes and Information Structure of disc contents Normally, DVD video discs are divided into titles, and the titles are sub-divided into chapters. DVD audio discs are divided into groups, and the groups are sub-divided into tracks. VIDEO CDs/audio CDs are divided into tracks.

[Page 11: Notes On Copyright](#)

Notes on copyright It is forbidden by law to copy, broadcast, show, broadcast on cable, play in public, and rent copyrighted material without permission. DVD video discs are copy protected, and any recordings made from these discs will be distorted. This product incorporates copyright protection technology that is protected by method claims of certain U.S.

[Page 12: Playable Discs](#)

Introduction Notes and Information (continued) About this owner's manual This owner's manual explains the basic instructions of this player. Some DVD video discs are produced in a manner that allows specific or limited operation during playback. As such, the player may not respond to all operating commands.

[Page 13](#) Exemptions Toshiba Corporation is not liable for any damage caused by fire, earthquake, use by a third person, accidents, owner's intentional or unintentional misuse, or uses in other improper conditions.
