Toshiba's Value Plus Extended Warranty Plan

Toshiba's Value Plus™ Extended Warranty plan, provides our valued customers with the industry's first extended warranty plan, offering up to seven years of investment protection and peace of mind.

The Telecommunication Systems Division (TSD) of Toshiba America Information Systems, Inc. offers products that are known for their best in class migration, quality and reliability. TSD has a proven track record of providing many of the industry's best products and solutions.

The Value Plus Plan, enables you to protect your Toshiba business communication system's investment. Value Plus also makes budgeting and long-term planning simple and easy by locking in fixed costs for hardware component replacement and extended coverage.
