Projector

The art of entertaining

For the ultimate home cinema experience at a truly affordable price, look no further than the Toshiba MT4 projector. With its massive 900 ANSI lumens light output, this compact and lightweight projector can be used in any lighting conditions. True SVGA resolution and a Short Throw Lens enable the MT4 to deliver sparkling images up to 4.3 metres diagonal. With multiple inputs, the MT4 can be connected to your DVD, VCR, TV, digital camera or even the games consoles. For an exceptional brightness and resolution, experience the big screen for yourself and you'll never go back.
