## Getting to Know the Windows ® XP Operating System

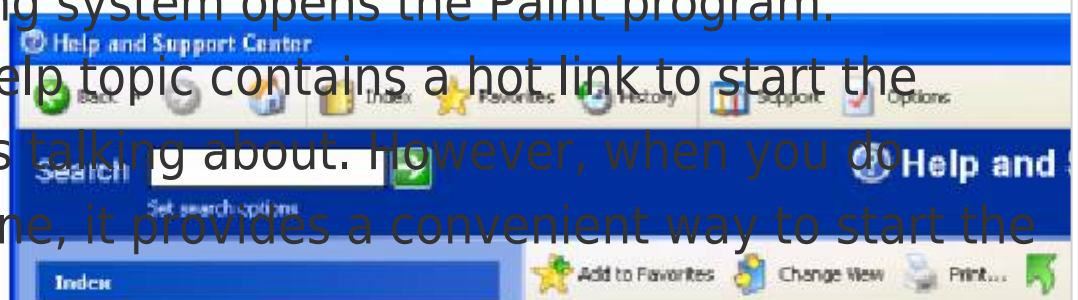

### *Sample Drawing help window*

#### 5

Click the Paint link.

The operating system opens the Paint program.

Not every Help topic contains a hot link to start the program it is talking about. However, when you do encounter one, it provides a convenient way to start the

program to look at it while you read about the program in the Help topic.

## Using the online tours and tutorials

Whether you are new to computers or you have some experience, the Windows Help and Support Center is a good place to start.

If you are not familiar with the Windows operating system, start with "Windows XP Preview."

"Learning about the benefits of Windows XP features" is a helpful introduction to the new features in the Windows operating system.
