Introduction

Welcome to the world of powerful and portable multimedia computers! With your new Toshiba notebook computer, your access to information can accompany you wherever you go.

Your system comes with the Microsoft or Windows XP Pro operating system. Your operating system offers exciting features and easy Internet access. This guide contains information about your operating system and how it functions with your Toshiba computer. For specific information on the software, see the Microsoft booklet that shipped with your computer.

This guide

This guide introduces the computer's features. You can:

Read the entire guide from beginning to end.

Skim through and stop when a topic interests you.

Use the table of contents and the index to find specific information.

If you are new to computers, or have not used a notebook computer before, read through the first couple of chapters to
