Registering your computer with Toshiba

Registering your computer lets Toshiba keep you up-to-date

with information about new products and upgrades, and also

extends your Toshiba warranty worldwide at no charge to you. You can register your computer with Toshiba during the

start-up process or by clicking on the icon on the desktop at a later time.

Adding external devices

Before starting to use your computer, you may also want to:

Add more memory (see [\(optional\)" on page](#)

Connect a mouse (see

NOTE

Connect a local printer (see [page](#)

Install PC Cards (see

To register online, your computer's modem must be connected to a voice-grade telephone line.

Before adding external devices, Toshiba recommends setting up your software first. See
