Introduction

This guide

NOTE

This guide

This guide introduces the computer's features. You can:

Read the entire guide from beginning to end.

Skim through and stop when a topic interests you.

Use the table of contents and the index to find specific information.

The product specifications and configuration information are designed for a product Series. Your particular model may not have all the features and specifications listed or illustrated. For more detailed information about the features and specifications on your particular model, please visit Toshiba' s Web site at pcsupport.toshiba.com.

While Toshiba has made every effort at the time of publication to ensure the accuracy of the information provided herein, product specifications, configurations, prices, system/component/options availability are all subject to change without notice. For the most up-to-date product information about your computer, or to stay current with the various computer software or hardware options, visit Toshiba' s Web site at pcsupport.toshiba.com.
