Bookmarks

3

Select the items you want to copy by clicking the check box next to the item's Name—recovery files, applications (original bundled drivers and applications), or both the recovery files and applications.

4

Click Burn.

5

Insert the first blank CD or DVD into your writable optical

drive when prompted.

6

Follow the on-screen prompts for completing the copy process.

For more information on using the Recovery media you have created with the preceding steps see [using the Recovery media" on page](#)

Hard Disk Drive Recovery Options

The following are the available hard disk drive recovery options:
