### [Page 2: Safety Precautions](#)

Operation with non-compliant peripherals or peripherals not recommended by Toshiba is likely to result in interference to radio and TV reception. Changes or modifications made to this equipment, not expressly approved by Toshiba, or parties authorized by Toshiba, could void the

user's authority to operate the equipment.

### [Page 3: Important Safety Instructions](#)

Location of the required label...

[Page 4](#) Introduction IMPORTANT SAFETY INSTRUCTIONS CAUTION: PLEASE READ AND OBSERVE ALL WARNINGS AND INSTRUCTIONS GIVEN IN THIS OWNER'S MANUAL AND THOSE MARKED ON THE UNIT. RETAIN THIS BOOKLET FOR FUTURE REFERENCE. This set has been designed and manufactured to assure personal safety. Improper use can result in electric shock or fire hazard.

[Page 5](#) 7. Power-Cord Protection Power-supply cords should be routed so that they are not likely to be walked on or pinched by items placed upon or against them, paying particular attention to cords at plugs, convenience receptacles, and the point where they exit from the product. 8.

[Page 6](#) If you ever detect rust, the emission of an extraordinary odor, excessive heat or anything unusual of the battery pack before starting to use it, do not use it. Take it to an authorized Toshiba service provider.

[Page 7](#) g) Keep the battery pack away from heat or fire, if you detect the emission of an extraordinary odor or leakage of alkaline solution or other electrolytic substance. h) Never dispose of used battery packs with other ordinary solid wastes, since they contain toxic substances.

### [Page 8: Precautions](#)

Introduction IMPORTANT SAFETY INSTRUCTIONS 24. Damage Requiring Service Unplug this product from the wall outlet and refer servicing to qualified service personnel under the following conditions: a) When the power-supply cord or plug is damaged. b) If liquid has been spilled, or objects have fallen into the product.

### [Page 9: Notes And Information](#)

Precautions Notes on handling Do not shock the LCD panel. It may cause unit damage and malfunction. When shipping the player, the original shipping carton and packing materials come in handy. For maximum protection, repack the unit as it was originally packaged at the factory.
