## Slim HD LED TV

The slim Toshiba EL933/934 series is designed to deliver high quality entertainment in small spaces. Wherever you're watching, you'll enjoy clear and crisp HD viewing on the energy-efficient LED screen. With a choice of screen sizes and black or white colour options, it's a perfect fit anywhere you want top Toshiba value.

Sometimes one TV is just not enough. The Toshiba EL933/934 puts an end to those tricky conversations about who gets to watch what. Now, everybody can watch their favourites with HD quality. It's a great entertainment hub for any room.

The EL933/934 offers strong colours, rich contrast and clear images. A choice of screen sizes and black or white colour options mean it works wherever you want it - the kitchen, kids' room, study or bedroom. Thanks to LED backlighting, all models are very slim in design and highly energy efficient. The EL933/934 series comes with two HDMI ports and a USB connection for your favourite HD add-on. By plugging your hard disk into the USB port, you can enjoy all your pictures, music and videos

thanks to the USB playback feature. If you simply want to watch TV, the built-in tuner puts the full range of free channels at your command.

The EL933/934 mixes good looks with the reassurance of Toshiba quality. The slim design and colour choice of black or white will enhance any room. Beneath its elegant exterior, Toshiba expert engineering ensures it is reliable and affordable to run.
