About this guide

This user guide contains the information you need when installing and configuring the motherboard.

How this guide is organized

This guide contains the following parts:

-

Chapter 1: Product introduction

This chapter describes the features of the motherboard and the new technology it supports. It includes descriptions of the switches, jumpers, and connectors on the

motherboard.

•

Chapter 2: BIOS information

This chapter tells how to boot into the BIOS and upgrade BIOS using the EZ Flash Utility.

Where to find more information

Refer to the following sources for additional information and for product and software updates.

1.

ASUS website

The ASUS website provides updated information on ASUS hardware and software products. Refer to the ASUS contact information.

2.

Optional documentation

Your product package may include optional documentation, such as warranty flyers, that may have been added by your dealer. These documents are not part of the standard package.

Conventions used in this guide

To ensure that you perform certain tasks properly, take note of the following symbols used throughout this manual.

CAUTION: Information to prevent damage to the components and injuries to yourself when trying to complete a task.

IMPORTANT: Instructions that you **MUST** follow to complete a task.

NOTE: Tips and additional information to help you complete a task.
