Page 6 Notices Federal Communications Commission Statement This device has been tested
and found to comply with the limits for a Class B device, pursuant to Part 15 of the FCC Rules.
These limits are designed to provide reasonable protection against harmful interference in a
residential installation.

Page 7: Limitation Of Liability

Warranty Statement, up to the listed contract price of each product. ASUS will only be
responsible for or indemnify you for loss, damages or claims based in contract, tort or
infringement under this Warranty Statement.

Page 8 We believe in providing solutions for you to be able to responsibly recycle our
products, batteries, other components, as well as the packaging materials. Please go to
<http://csr.asus.com/english/Takeback.htm> for the detailed recycling information in different
regions.

Page 9: Fcc Compliance Information

This device complies with part 15 of the FCC Rules. Operation is subject to the following two
conditions: (1) This device may not cause harmful interference, and (2) this device must accept
any interference received, including interference that may cause undesired operation. Ver.
