Page 2: Important Safety Instructions

IMPORTANT SAFETY INSTRUCTIONS When using electrical appliances, basic safety precautions should always be followed including the following: There is a potential injury from misuse. Please handle it with care. Always disconnect the appliance from the supply if it is left unattended and before assembling, disassembling or cleaning.

<u>Page 3</u> IMPORTANT SAFETY INSTRUCTIONS If food sticks to the wall of the blender jar, switch off the appliance and unplug it. Then use a spatula to remove the food from the wall. Never fill the blender jar with ingredients hotter than 80°C. The appliance can only be switched on if the blender jar or the beaker is assembled on the motor unit correctly.
