ASUS Strix Raid DLX/PRO, Strix Soar - Sound Card Quick Start Guide

Contents

Safety Information

1. Read these instructions.

2. Keep these instructions.

3. Heed all warnings.

4. Follow all instructions.

5. Do not use this apparatus near water.

6. Clean machine surface with a cloth (Do not apply any detergent or cleaning fluid).

7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.

8. Do not install near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.

9. The polarized or grounding type plug is for user safety. A polarized plug has two blades with one wider than the other other. A grounding -type plug has two blades and a third grounding prong. The wide blade or the third prong is provided for your safety. If the provided plug does not fit into your outlet, consult your electrician for installation of the

appropriate type of power socket.

10. Protect the power cord from being stepped on or compressed, particularly at the point where the cable is connected to the device.

11. Only use attachments/accessories specified by the manufacturer.

12. Use with only the cart, stand, tripod, bracket or table recommended by the manufacturer, or sold with the product. When a cart is used, use caution when moving the cart or trolley to avoid injury.

13. Unplug the device during lightning storms or when left unused for long periods of time.

14. Refer all repairs to qualified service personnel. Servicing is required when the product has been damaged in any way such as when the power cord or plug is damaged, liquid has been spilled or an object have fallen into the product, the product has been exposed to rain or moisture or does not operate normally or has been dropped.

Additional Safety Information

For your own safety please read the following important instructions carefully before attempting to connect this unit to the main power supply. The instructions provided will help you get the best performance from this device and prolong the life of this product.
