Specifier Notes: This product guide specification is written according to the Construction Specifications

Institute (CSI) 3-

Part Format, based on Master Format 2004 and The Project Resource Manual—CSI Manual

of Practice. The Manufacturer is responsible for technical accuracy. By removing the references to s

pecific

Sanyo product names or part numbers, the text may be used also in performance-based specifications.

The section must be carefully reviewed and edited by the Architect or Engineer to meet the requirements of

the project and local building code. Words and sentences within brackets [ ] are choices to include or

exclude a particular item or statement. Coordinate this section with other specification sections and the

Drawings.
