Wearing your headset

There are L and R markings on the ear cups.

- Adjust the headband so it fits snugly on your head.

- Adjust the ear cups so it fits comfortably around your ears.

- Move the volume control to increase/decrease the volume.

Using the Orion headset and its microphone

Connect the microphone and headphone plugs into the respective ports of your computer or to the ROG Spitfire. Extend the microphone and position it close to your mouth when in use.

Using your headset with the USB dongle

1. Plug the headset's microphone and output cable to their respective jacks on the USB dongle.

2. Plug the USB dongle into your computer's USB port. Driver installation is not required.

3. Go to the Control Panel and audio settings to change the default input / recording device.

Using Gaming / Surround / Amp modes on the USB dongle

Press the Gaming / Surround / Amp button on the USB dongle to enable/ disable each audio mode.
