Weight: 325g

Wearing your headset

NOTE: There are L and R markings on the ear cups.

To wear your headset

- Adjust the headband so it fits snugly on your head.

- Adjust the ear cups so it fits comfortably around your ears.

• Move the volume control to increase/decrease the volume.

Installing the battery

To install the battery

1. Turn off the ANC switch.

2. Push the battery cover button to open and remove the battery cover.

3. Install one AAA battery in the battery slot.

4. Replace the battery cover.

NOTE: Remove the battery if you are not going to use your headset for a long time.

Connecting the microphone and the audio cable

To connect the microphone
Connect the microphone to the headset's microphone port on the left ear cup.

To connect the audio cable

1. Connect the audio cable to the headset's audio port on the left ear cup.

2. Connect the audio cable's headphone and microphone

connectors to your computer's headphone and microphone ports.

Activating the noise-canceling function

The noise-canceling function removes ambient noise such as background noise for a clearer sound quality.

To activate the noise-canceling function
Press the Active Noise Cancellation button on the left ear cup to activate the noise-canceling feature.

NOTE: There is no need to connect the headset cable if the headset is used only for the Active-Noise-Cancellation feature.

Using your headset with the ROG Spitfire

1. Connect the headset's microphone and output cable to their respective jacks on the ROG Spitfire.

2. Plug the ROG Spitfire into your computer's USB port.

3. Go to the Control Panel to change the default input / recording device.

Using Gaming / Surround / Amp modes on ROG Spitfire

Press the Gaming / Surround / Amp button on the ROG Spitfire to enable/ disable each audio mode.

Storing your headset

To store your headset

1. Disconnect the audio cable and microphone.

2. Fold one side, then the other, ensuring that pressure is applied to the hinges and not on the ear cups.

3. Put your headset and its accessories in the protective case.
