The aster

Object	Clothes-handling label	Course	Water Level	Wash	Rinse	Spi
Ordinary Washing		Standard	10L-51L stepless auto-setting	*8 mins Max: 10 mins Min: 6 mins	Shower rinsing (2 times) State rinsing (1 time)	M
Ordinary Washing		Heavy			Shower rinsing (2 times) Overflow rinsing	M

The time requirements listed above include a water supply rate of 15 L/min and a drainage time of 10 minutes. The actual time required varies according to the quality of the laundry, the degree of its soiling, water pressure, and/or drainage status.

Actual wash and spin may differ from operation time indicated by the process display. www.all-guides.com

If load of the laundry is not balanced, the residual time may increase to correct this imbalance.
