Package contents:

CW101 Keyboard*1, CW101 Mouse*1, USB dongle*1 (stored inside the mouse), Quick Start Guide and Warranty card*1, AAA Alkaline Battery*1, AA Alkaline Battery*1

Installing the batteries

1.

Insert the batteries (one AAA battery for keyboard and one AA battery for mouse) into the battery slots of your keyboard and mouse.

•

The low battery indicator of the keyboard is located in the upper left corner.

•

Please replace the battery when the low battery indicator ashes red.

2.

Insert the bundled USB dongle into your computer's USB port. It takes about ten seconds for the system to automatically connect to your wireless keyboard and mouse.

Your keyboard and mouse is set at the factory to automatically connect to the system. You do not need to press the Connect button on your keyboard and mouse to manually connect to the system.
