Whether browsing the Internet or reading documents, the Eee PC

T101MT easily transitions between netbook and tablet mode to suit a user's various needs. For even more flexibility, the Eee PC switches between the standard Windows 7 Mode interface

and Touch Mode interface which features larger icons. Professionals and students can take notes with the netbook's PenWrite technology and stylus. An ASUS Super Hybrid Engine helps the netbook maximize energy efficiency for an up to 6.5 hours* of battery life.
