- PowerFocus™ HD CRTs & PowerFocus™ HC Lens System
- TheaterFine™ HD Fine Pitch Screen & Built-in TheaterShield™  
®
- TouchFocus Automatic Digital Focus
- AccuFocus™ 56 point Manual Convergence
- CableClear™ DNR+ (by Input)
- Day/Night Viewing Modes

## A DVA N TAG E TO S H I BA

>>

CableClear™ DNR+ by Input optimizes signals from RF, Composite and S-Video connections by eliminating video noise and automatically adjusting sharpness.

>>

Day/Night Mode sets the television for optimum viewing in any room environment. The Day/Night Mode will set the television to full brightness for daytime viewing in rooms with ambient room light. The Night mode is ideal for dark rooms by reducing brightness to create the ideal picture for this environment. The Day Mode is used in full brightness for daytime viewing in rooms with ambient room light.

>>

®  
SRS

WOW technology takes the performance of the television's existing speakers to a whole new level to offer the consumer superior sound quality with no additional speakers required.

>>

HD Dynamic Contrast increases contrast and color saturation to create deep, rich images. This intelligent circuitry analyzes both the dark and bright areas of the picture, and separately optimizes the dynamic range in each area of the picture.
