## Utilities

This section describes preinstalled utilities and tells how to start them. For details on operations, refer to each utility's online manual, help files or readme.txt files.

*Please note that the descriptions for starting some utilities are based on setting the Control Panel to Category View. On Classic view the description is different.*

## TOSHIBA Assist

HW Setup

DVD Video Player

TOSHIBA Zooming

Utility

### User's Manual

This feature lets you turn off the power without exiting from your software. The contents of main memory are saved to the hard disk so that when you turn on the power again, you can continue working right where you left off. Refer to the [Turning off the power](#)

### Getting

*Started, for details.*

If you have to interrupt your work, you can turn off the power without exiting from your software. Data is maintained in the computer's main memory so that when you turn on the power again, you can continue working right where you left off.

TOSHIBA Assist is a graphical user interface that provides easy access to help and services.

This program lets you customize your hardware settings according to the way you work with your computer and the peripherals you use. To start the utility, double click the TOSHIBA Assist icon on your desktop, select the OPTIMIZE tab , and click TOSHIBA HW Setup.

The DVD Video Player is used to play DVD Video. It has an on-screen interface and functions. Click Start, point to All Programs, point to InterVideo WinDVD, then click InterVideo WinDVD.

This utility allows you to enlarge or reduce the icon size on the desktop or the application

window.

To run the TOSHIBA Zooming Utility, click Start, select All Programs followed by TOSHIBA followed by Utilities and then click Zooming Utility.
