User's Manual

Use this socket to install a memory module to increase your computer's memory. Refer to the

[Memory expansion](#)

Optional

This cover protects the Wireless LAN bay and, if installed, the Wireless LAN card.

The removable hard disk drive occupies this bay on the bottom-side of the computer. This is convenient for upgrading to higher capacity drives, or for removing for security purposes when you intend to be away from your computer for a considerable period of time.
