Getting Started

Registering your computer with Toshiba

Registering your computer with Toshiba

Product registration is strongly recommended, and allows Toshiba

to send you periodic updates, announcements, and special offers

applicable to your product. Product registration can be completed by either double-clicking the Toshiba Registration icon on your desktop or by visiting the Toshiba Web site at www.register.toshiba.com. Failure to complete Product Registration will not diminish Customer rights under the Toshiba standard limited Warranty.

NOTE

Adding optional external devices

NOTE

After starting your computer for the first time you may want to:
Add more memory (see [page](#))

Connect a mouse (see

Connect a full-size keyboard (see [keyboard" on page](#))

Connect an external monitor (see [devices" on page](#))

Connect a local printer (see

Connect an optional external disk drive (see [optional external diskette drive" on page](#))

Install PC Cards (see

To register online, you must be connected to the Internet.

Before adding external devices or memory, Toshiba recommends setting up your software. See
