Xonar Audio Center

6.1

Xonar Audio Center GUI

1.

After driver installation is complete and your computer has been rebooted, you will find the Xonar Audio Center's icon in the system tray on the bottom right-hand corner of the screen. Double click this icon to open the Xonar Audio Center utility.

If the icon does not appear on the system tray, launch the Xonar Audio Center

from the Windows desktop by clicking Start > All Programs > ASUS Xonar D-Kara > Xonar D-Kara Audio Center.

2. _____

The Xonar Audio Center is the Graphical User Interface (GUI) for the Xonar D-Kara driver. You can control the functions and features of the Xonar D-Kara driver on the Xonar Audio Center. The following picture shows a basic overview of the Xonar Audio Center. The following sections of this manual will describe its functions in more detail.
