Product Series Legal Footnote. The product specifications and configuration information are designed for a product Series. Your particular model may not have all the features and specifications listed or illustrated. For more detailed information about the features and specifications on your particular model, please visit Toshiba's Web site at pcsupport.toshiba.com.

[Page 3](#) Battery Life. Actual battery life may vary depending on settings, application usage, features or tasks selected, network configuration, operating temperature and many other factors. Battery tests were conducted by Toshiba using specific preproduction Excite units and software. Testing consisted of full battery discharge while performing each of the following

tasks: video playback, Internet browsing using Wi-Fi and standby mode.
