GROUP LISTENING

This feature enables you to set your telephone so that you and people near your telephone can hear the distant party over the speaker, but the distant party will not be able to hear you.
The Spkr LED will light red and you will be able to hear the distant party on the telephone speaker. The distant party will not be able to hear you.
The handset is activated. Continue to operate in an alternate fashion as desired .

AUTOMATIC OFF-HOOK SELECTION

Automatic Off-hook Selection allows you to access intercom or a specific line or line group just by lifting the handset or pressing the Spkr button.
This is an optional feature enabled in system programming.
You will be connected to the option programmed.
If you hear silence, you must press the Intercom button or a Line or Pooled Line Grp button before dialing the telephone number.
NOTE: If your station is programmed with Ringing Line Preference, you can answer a line ringing your station by lifting the handset or pressing the Spkr button.
