Before beginning pedestal assembly, carefully lay the TV facedown on a flat, cushioned surface such as a quilt or blanket. Leave the bottom of the unit protruding over the edge of the surface and assemble the pedestal as indicated below.

Extreme care should always be used when attaching or removing the pedestal stand to avoid damage to the display panel.

2. Assemble the pedestal stand with the hardware provided.
3. After assembling the pedestal, place the TV on a sturdy, level surface that can support the weight of the TV.
4. Be sure to secure the TV to a wall stud, pillar, surface, or other immovable structure.

surface that can support the weight of the unit. Secure the TV using one of the following methods:
