3	Installation steps

If you need assistance:

Check your Use and Care Guide for a toll-free number to call or call the dealer from whom you purchased this appliance. The dealer is listed in the Yellow Pages of your phone directory under "Appliances — Household — Major — Service and Repair."

Call when you:

Have questions about built-in oven installation or operation.

Need to obtain the name and number of an authorized service company.

When you call, you will need:

The built-in oven model number.

The built-in oven serial number.

Both numbers are listed on the model/serial rating plate, located on the microwave oven frame.

IMPORTANT:

Read the instructions carefully before installation.

IMPORTANT:

Installer: Leave Installation Instructions with the homeowner.

Homeowner: Keep Installation Instructions for future reference.

Part No. 8300650

Save Installation Instructions for local electrical inspector's use.
