GAS FURNACE USER INSTRUCTIONS

GAS FURNACE SAFETY	2
GAS FURNACE OPERATION	3
Lighting the Furnace	3
Shutting Down the Furnace	3
Adjusting the Controls	3

WARNING:

FIRE OR EXPLOSION HAZARD

Failure to follow safety warnings exactly could result in serious injury, death or property damage.

- Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.
- **WHAT TO DO IF YOU SMELL GAS**
 - Do not try to light any appliance.

- Do not touch any electrical switch; do not use any phone in your building.
- Leave the building immediately.
- Immediately call your gas supplier from a neighbor's phone. Follow the gas supplier's instructions.
- If you cannot reach your gas supplier, call the fire department.
- Installation and service must be performed by a qualified installer, service agency or the gas supplier.

To the installer: leave this manual with the furnace.

To the consumer: read all instructions in this manual. Keep all manuals for future reference.
