Page 5: Getting Started

Getting started To set up your ROG Gladius Gaming Mouse: 1. Connect the USB cable to your computer's USB port. 2. Connect the micro USB cable to your ROG Gladius Gaming Mouse. 3. Download the driver from <http://www.asus.com> then install it in your computer. Replacing the switches NOTE: Refer to www.asus.com for the list of compatible switches. If there is a need to replace the switches, follow the steps below: 1. Peel off the four (4) mouse feet under your mouse, then remove the four (4) screws and set aside. 2. Remove the top cover. 3. Replace the switches with the bundled mouse switches. Mouse switches Switch socket Switch socket IMPORTANT! • Ensure to install the switch with its button facing the front of the mouse to the switch socket. • Ensure that the switches are seated properly on the switch sockets. 4. Replace the cover and secure with the screws. 5. Place the 4-piece set of mouse feet on their designated places. IMPORTANT! The mouse feet areas differ in shapes and sizes. Ensure to place the correct mouse foot to the mouse foot area of the same shape and size. ROG Gladius Gaming Mouse Q9918 AK47 Gaming Mouse QSG V2.indd 5...

Page 20: Mise En Route

Mise en route Pour configurer votre souris de jeu ROG Gladius : 1. Connectez une extrémité du câble USB à l'un des ports USB de votre ordinateur. 2. Connectez l'extrémité micro USB du câble à la souris ROG Gladius. 3. Téléchargez le pilote de la souris sur votre ordinateur à partir du site http://www.asus.com. Remplacer les interrupteurs REMARQUE : Rendez-vous sur www.asus.com pour consulter la liste des interrupteurs compatibles. Si vous souhaitez remplacer les interrupteurs de votre souris : 1. Retirez les quatre (4) patins placés sous la souris, puis retirez les vis. 2. Enlevez le couvercle de la souris. 3. Remplacez les interrupteurs avec ceux livrés avec votre souris. Interrupteurs Interface de connexion de l'interrupteur Interface de connexion de l'interrupteur IMPORTANT ! • Assurez-vous d'installer l'interrupteur avec le bouton faisant face à l'avant de la souris. • Vérifiez que les interrupteurs sont correctement enclenchés sur leurs interfaces de connexion. 4. Remplacez le couvercle et sécurisez-le à l'aide des vis précédemment mises de côté. 5. Remplacez les patins de souris.

IMPORTANT ! Les zones dédiées aux patins de souris possèdent des tailles et des formes différentes. Assurez-vous de placer les patins dans les zones appropriées.

[Page 23: Erste Schritte](#)

Erste Schritte So richten Sie Ihre ROG Gladius Gaming Maus ein: 1. Verbinden Sie das USB Kabel mit dem USB Anschluss Ihres Computers. 2. Verbinden Sie das Micro USB Kabel mit Ihrer ROG Gladius Gaming Maus. 3. Laden Sie den Treiber von <http://www.asus.com> runter, dann installieren Sie ihn auf Ihrem Computer. Ersetzen der Schalter HINWEIS: Eine Liste kompatibler Schalter finden Sie unter www.asus.com. Wenn Sie die Schalter ersetzen möchten, befolgen Sie die nachstehenden Schritte: 1. Ziehen Sie die vier (4) Mausfüße unter der Maus ab, entfernen Sie dann die vier (4) Schrauben und stellen Sie sie beiseite. 2. Entfernen Sie die obere Abdeckung. 3. Ersetzen Sie die Schalter durch die mitgelieferten Mausschalter. Mausschalter Schalterbuchse Schalterbuchse WICHTIG! • Stellen Sie sicher, dass Sie den Schalter so installieren, das die Schaltfläche zur Vorderseite der Maus, zu der Schalterbuchse, zeigt. • Stellen Sie sicher, dass der Schalter richtig in der Schalterbuchse sitzt. 4. Bringen Sie die Abdeckung wieder an und sichern Sie sie mit den Schrauben. 5. Platzieren Sie das 4 teilige Set an Mausfüßen auf ihre vorgesehenen Plätze. WICHTIG! Die Mausfuß-Bereiche unterscheiden sich in Form und Größe. Stellen Sie sicher, dass Sie den richtigen Mausfuß auf den vorgesehenen Mausfuß-Bereich, der gleichen Form und Größe, setzen. [Page 26: Per Iniziare](#)

Per iniziare Per installare il mouse gaming ROG Gladius: 1. Collegate il cavo USB alla porta USB del vostro computer. 2. Collegate il cavo micro USB al mouse gaming ROG Gladius. 3. Scaricate i driver da <http://www.asus.com> quindi installateli sul vostro computer. Sostituzione dei tasti NOTA: Fate riferimento a <http://www.asus.com> per l'elenco dei tasti compatibili. Se volete sostituire i tasti fate riferimento ai seguenti passaggi: 1. Rimuovete i quattro (4) piedini del mouse quindi rimuovete le quattro (4) viti e mettetele da parte. 2. Rimuovete la cover superiore. 3. Sostituite i tasti presenti con quelli in dotazione. Tasti mouse Alloggiamento tasto Alloggiamento tasto IMPORTANTE! • Assicuratevi di installare i tasti con i relativi pulsanti rivolti

verso la parte anteriore del mouse. • Assicuratevi che i tasti siano installati correttamente nei rispettivi alloggiamenti. 4. Riposizionate la cover e fissatela con le viti rimosse in precedenza. 5. Posizionate i 4 piedini del mouse nella posizione corretta. **IMPORTANTE!** I piedini del mouse sono diversi tra loro per forma e dimensione. Assicuratevi di inserire ciascun piedino nella posizione corretta. Guida rapida Q9918_AK47_Gaming_Mouse_QSG_V2.indd 26 11/13/2014 4:20:04 PM...

Page 35: Procedimientos Iniciales

Procedimientos iniciales Para configurar el ratón para juegos ROG Gladius: 1. Conecte el cable USB al puerto USB del equipo. 2. Conecte el cable micro-USB al ratón para juegos ROG Gladius. 3. Descargue el controlador desde <http://www.asus.com> y, a continuación, instálelo en el equipo. Cambiar los conmutadores NOTA: Consulte el sitio Web <http://www.asus.com> para obtener la lista de interruptores compatibles. Si desea reemplazar los interruptores, siga los pasos que se indican a continuación: 1. Despegue los cuatro (4) pies del ratón que se encuentran debajo de este y, a continuación, quite los cuatro (4) tornillos y colóquelos a un lado. 2. Retire la tapa superior. 3. Cambie los conmutadores con los conmutadores del ratón incluidos. Conmutadores del ratón Alojamiento del conmutador Alojamiento del conmutador ¡IMPORTANTE! • Asegúrese de instalar el conmutador con su botón orientado hacia la parte delantera del ratón en el alojamiento de dicho conmutador. • Asegúrese de que los conmutadores están correctamente asentados en sus alojamientos. 4. Vuelva a colocar la tapa y fije los tornillos. 5. Coloque el conjunto de 4 unidades de pies del ratón en sus lugares correspondientes. ¡IMPORTANTE! Las áreas de los pies del ratón difieren en forma y tamaño. Asegúrese de colocar el pie de ratón correcto en el área de la misma forma y tamaño correspondiente.

Page 36 Notices Federal Communications Commission Statement This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with manufacturer's instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna. • Increase the separation between the equipment and receiver. • Connect the equipment to an outlet on a circuit different from that to which the receiver is connected. • Consult the dealer or an experienced radio/TV technician for help. CAUTION! Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the equipment. Labeling requirements This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.   (Pb)  (Hg)  (Cd)  (Cr (VI)) 

Page 37 Canada, Industry Canada (IC) Notices This Class B digital apparatus complies with Canadian ICES-003. Operation is subject to the following two conditions: (1) this device may not

Page 38 Proper disposal DO NOT throw the device in municipal waste. This product has been designed to enable proper reuse of parts and recycling. The symbol of the crossed out wheeled bin indicates that the product (electrical, electronic equipment and mercury-containing button cell battery) should not be placed in municipal waste. Check local regulations for disposal of electronic products. DO NOT throw the device in fire. DO NOT short circuit the contacts. DO NOT disassemble the device. ASUS Recycling/Takeback Services ASUS recycling and takeback programs come from our commitment to the highest standards for protecting our environment. We believe in providing solutions for you to be able to responsibly recycle our products, batteries, other components as well as the packaging materials. Please go to <http://csr.asus.com/english/ Takeback.htm> for detailed recycling information in different regions.
